

# How to Use Our Provider Search Tool

- If you have a specific provider in mind, you can search for them by providing one of the following fields: name, address, city, state, or phone number in the Search Bar.

A search bar with a magnifying glass icon on the left and the placeholder text "Search Name, Address, City, State or Phone...".

- If you do not have a specific provider in mind, you can search by location in two ways:
  - **Search by Distance:** if you want to look for a provider within a specific mile radius from a specific zip code. You can search for a provider for up to 50 miles.

A form for searching by distance. It includes radio buttons for "Search by Distance" (selected) and "Search by County". A search bar is at the top. Below are dropdown menus for "Provider Type" (set to "Primary Care Physicians") and "Specialty". There are input fields for "Zip Code" and "Distance" (set to "1 mile"). An "Advanced Search" toggle is at the bottom right.

- **Search by County:** if you want to look up a provider in one of our servicing areas:
  - Miami-Dade
  - Broward
  - Palm Beach
  - Hillsborough, Pasco, Pinellas
  - Polk
  - Orange, Osceola, Seminole

A form for searching by county. It includes radio buttons for "Search by Distance" and "Search by County" (selected). A search bar is at the top. Below are dropdown menus for "Provider Type" (set to "Primary Care Physicians") and "Specialty". A "County" dropdown menu is shown with a list of counties: Broward, Hillsborough, Miami-dade, Orange, Osceola, Palm beach, and Pasco.

- You can search by Provider Type and specify the Specialty, if applicable. To see all the different provider types and specialties, use the drop-down button.

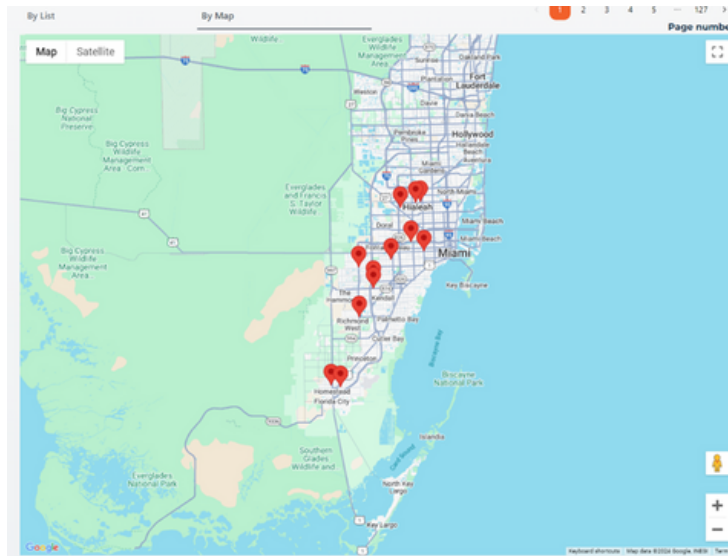

- You can also narrow your results by using our **Advanced Search** function where you can specify the gender, language, and other fields for your search:

- Once you have selected all your fields, you can click “**Search.**”
- You will be able to view your search in two ways:
  - By List
