| Important Questions  | Answers   | Why this Matters:   |
|--|---|---|
| What is the overall deductible?                                      | \$350 person / \$700 family   | Generally, you must pay all the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .  |
| Are there services covered before you meet your deductible?          | Yes. <u>Preventive care</u> services are covered before you meet your <u>deductible</u> .   | This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this <u>plan</u> covers certain <u>preventive services</u> without <u>cost-sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> .  |
| Are there other deductibles for specific services?                   | No.   | You don't have to meet deductibles for specific services.   |
| What is the <u>out-of-pocket</u> <u>limit</u> for this <u>plan</u> ? | \$700 person / \$1,400 family   | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.   |
| What is not included in the out-of-pocket limit?                     | Penalties, <u>premiums</u> , <u>balance billing</u> charges, and health care this <u>plan</u> doesn't cover.  | Even though you pay these expenses, they don't count toward the <a href="out-of-pocket">out-of-pocket</a> <a href="limit">limit</a> .   |
| Will you pay less if you use a <u>network provider</u> ?             | Yes. See <a href="https://www.umr.com">www.umr.com</a> or call 1-800-207-3172 for a list of <a href="https://network.providers">network providers</a> . | This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |
| Do you need a <u>referral</u> to see a <u>specialist</u> ?           | No.   | You can see the specialist you choose without a referral.   |
