

As a **Managing General Underwriter** we administer niche insurance programs for insureds using **modern technology** and **expert underwriting** analytics.

Corporate Overview

Altruis Group **empowers our partners and insureds** through innovative technologies, expert underwriting, and streamlined operations to simplify how the insurance journey is experienced.

By deploying a combination of industry specific underwriting knowledge with a partner-first service offering, the programs we create are **exclusively designed** to provide coverage solutions for uniquely targeted risk exposures present in **specialty industries**.

Derived from the word "Altruist" (n): Altruis Group is unselfishly **committed to the success of our partners and insureds** before our own.
