

# THE ANTARES 8 FISHING

# THE ANTARES 8 FISHING

The **Antares 8 Fishing** is a sport-oriented variant of Beneteau's popular Antares line, purpose-built for anglers who want a versatile and capable boat that combines fishing performance with onboard comfort. Robust, practical, and cleverly designed, it offers an ideal platform for both serious fishing trips and leisurely coastal cruising.

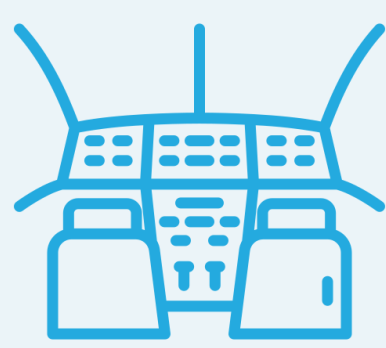

Equipped with a spacious, open cockpit, rod holders, a live bait well, and dedicated fishing gear storage, the Antares 8 Fishing is optimized for functionality on deck. Wide walkways and a secure freeboard make movement safe and easy while fighting or landing catches. A modular aft bench and fold-away seating also allow the cockpit to be quickly transformed to suit fishing or relaxation needs.

Inside, the Antares 8 Fishing retains the comfort and smart layout of the Cruise model, featuring a bright saloon with panoramic windows, a compact galley, and a cabin designed for rest during longer outings. Overnight accommodations are practical and welcoming, making it possible to extend trips beyond the day's catch.

Powered by efficient outboard engines and designed with a stable, seaworthy hull, the Antares 8 Fishing ensures dependable handling and performance in varied sea conditions. Perfectly balancing fishing features with comfort, it is a reliable companion for anglers who want both adventure and relaxation on the water.

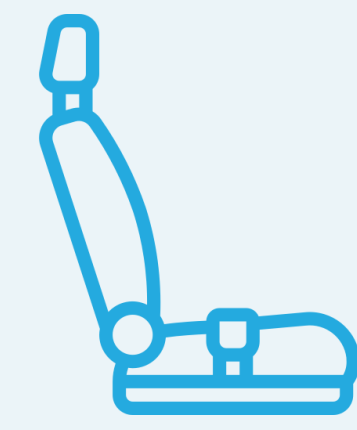

# FEATURES
