

# THE ANTARES 7 CRUISE

# THE ANTARES 7 CRUISE

The Antares 7 Cruise is a compact yet remarkably versatile weekender, purpose-built for families and couples who want to explore coastal waters with confidence and comfort. With its sporty profile and seaworthy hull, it delivers dependable performance while remaining easy to maneuver, even for first-time boaters. Despite its modest size, the Antares 7 Cruise makes the most of every inch on board, blending practicality with style in a way that has become a hallmark of the Antares line.

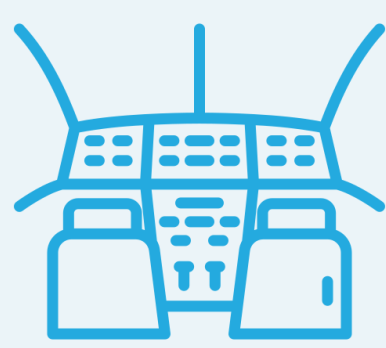

On deck, the modular cockpit seating adapts effortlessly to different activities, whether it's relaxing at anchor, enjoying a meal outdoors, or preparing for a fishing trip. Wide walkways and protective freeboard ensure safe movement around the boat, while large sliding doors connect the exterior with the interior, creating a bright, inviting space that feels larger than expected.

Inside, the saloon benefits from panoramic windows that flood the cabin with natural light and provide excellent visibility from the helm. A compact galley, convertible dinette, and a cozy forward cabin make overnight stays both practical and comfortable, while clever storage solutions maximize usability.

Powered by efficient outboard engines, the Antares 7 Cruise combines reliable handling with surprising comfort, making it the perfect entry into coastal cruising adventures.

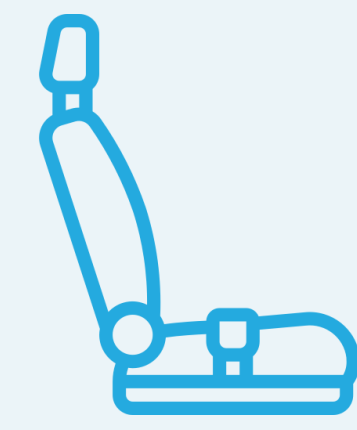

# FEATURES
