

THE ANTARES 9

THE ANTARES 9

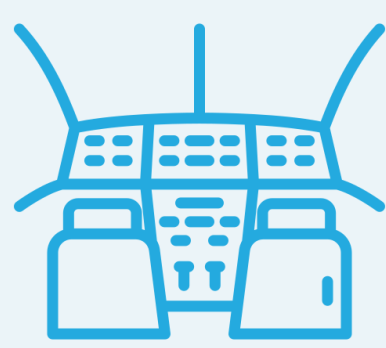

The Antares 9 is a true cruising companion, designed for those who want to explore further and stay longer on the water without sacrificing comfort. With a length of nearly 30 feet, it offers generous interior space and excellent stability, making it a reliable choice for both coastal cruising and extended getaways. Its sleek profile and seaworthy hull are tailored for safe, confident navigation in a variety of conditions.

On deck, the Antares 9 provides a spacious and functional layout. The cockpit is versatile, with ample seating that can be adapted for dining, lounging, or fishing. Wide side decks and a starboard walkway ensure safe and easy circulation, while a large swim platform makes water access simple and enjoyable. Thoughtful design details enhance both safety and onboard relaxation for families and friends.

Inside, the Antares 9 stands out with a bright saloon illuminated by panoramic windows. A well-equipped galley, comfortable dinette, and a helm station with excellent visibility ensure both convenience and ease of use. Two separate cabins and a bathroom with a shower provide privacy and comfort, making overnight stays practical and enjoyable for up to four people.

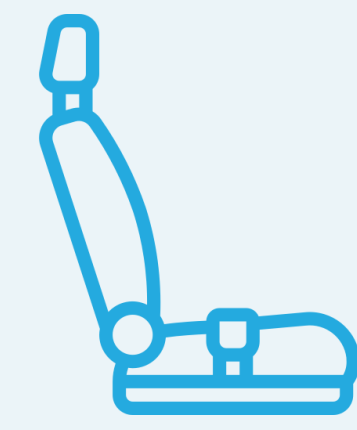

Powered by twin outboard engines, the Antares 9 delivers performance, efficiency, and dependable handling. It is an ideal balance between a family cruiser and a capable adventurer, offering the freedom to extend your horizons with confidence and style.
