

THE ANTARES 8 CRUSIE

THE ANTARES 8 CRUSIE

The Antares 8 Cruise is a versatile weekender that perfectly blends practicality, comfort, and performance, making it an excellent choice for families and adventure seekers alike. With its elegant lines and stable, seaworthy hull, it ensures reliable handling on coastal waters while still being easy to maneuver. Slightly larger than its smaller siblings, the Antares 8 offers extra space and amenities, giving boaters the confidence to embark on longer and more ambitious trips.

On deck, the spacious cockpit is designed for adaptability, featuring modular seating that can quickly transition between lounging, dining, or fishing setups. Wide walkways and a secure freeboard allow safe movement around the boat, while a swim platform and boarding ladder add to the enjoyment of time spent at anchor. Every detail is crafted to make life on board safer, simpler, and more enjoyable for both family and friends.

Inside, the bright saloon benefits from panoramic windows that offer sweeping views and flood the cabin with natural light. A practical galley, convertible dinette, and a welcoming forward cabin provide all the essentials for comfortable overnight stays. Cleverly arranged storage ensures everything has its place, making longer outings stress-free and well-organized.
