

THE OCEANIS YACHT 54

THE OCEANIS YACHT 54

The Oceanis 52 is a remarkable embodiment of modern sailing luxury, designed to offer both exceptional performance and unrivaled comfort on the water. As part of Beneteau's acclaimed Oceanis range, this yacht seamlessly blends elegant aesthetics with practical functionality, making it an ideal choice for seasoned sailors and those seeking refined cruising experiences alike.

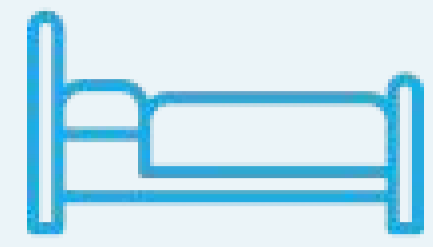

With a sleek, contemporary hull and intelligently designed deck layout, the Oceanis 52 provides a spacious and inviting environment, both above and below deck. Its expansive cockpit and ergonomically positioned helm ensure effortless handling, while generous seating and lounging areas allow for relaxed socializing or quiet moments of reflection at sea. The deck is optimized for safety and convenience, making it equally suitable for extended voyages or weekend getaways.

Below deck, the Oceanis 52 impresses with its thoughtful interior design, featuring ample natural light, high-quality materials, and a layout that balances functionality with elegance. Multiple cabins offer privacy and comfort, while the saloon and galley provide a welcoming space for dining and entertaining. Every detail, from storage solutions to ergonomics, has been carefully considered to enhance life aboard.

Performance is another hallmark of the Oceanis 52. Its well-engineered hull and sail plan deliver responsive handling, stability, and efficiency.
