

THE FIRST 53

THE FIRST 53

The Beneteau First 53 is the flagship of the First line — a yacht that redefines the art of sailing. Designed for discerning sailors who demand both speed and sophistication, the First 53 is a perfect harmony of racing heritage and contemporary luxury.

Drawn by Roberto Biscontini with interiors by Lorenzo Argento, this 53-footer captures the essence of modern yachting: sleek lines, powerful performance, and living spaces that rival the finest homes on the water.

Key Highlights

Race-Bred Design: A slender, powerful hull delivers thrilling sensations under sail, while twin rudders ensure precision handling.

Expansive Cockpit: Optimized for performance sailing and social gatherings, with easy movement between helm and deck.

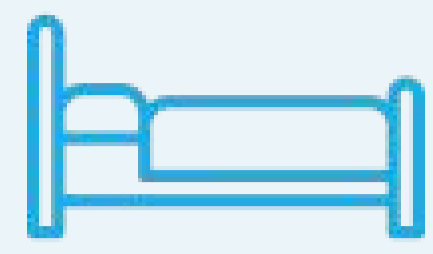

Luxury Interiors: Flooded with natural light, the interiors feature premium materials, spacious cabins, and a design aesthetic that blends comfort with elegance.

Performance Meets Ease: The latest sail-handling technology makes the First 53 as exhilarating in regattas as it is effortless on long-distance cruises.

Lifestyle at Sea: Generous lounging areas and an open, inviting saloon make life aboard as rewarding at anchor as it is under sail.
