

THE FIRST 14SE

THE FIRST 14SE

The Beneteau First 14SE is more than just a sailboat — it's freedom on the water.

Designed for sailors who crave speed, agility, and adventure, this high-performance dinghy combines cutting-edge design with ease of use, making it the perfect choice for both competitive sailors and thrill-seeking explorers.

Key Highlights:

High-Performance Design: A lightweight, planing hull and carbon rig deliver unmatched responsiveness and exhilarating speed.

Simple, Accessible Sailing: With an easy-to-handle sail plan and versatile setup, the First 14SE is equally suited for solo sailing or double-handed adventures.

Modern Innovation: Featuring a self-draining cockpit, foiling daggerboard, and modern sail technology, every detail has been crafted for precision and fun.

Adaptable & Transportable: The removable rudder, collapsible rig, and light hull make it easy to transport, launch, and store — so your sailing playground is wherever you want it to be.

Performance DNA: As part of Beneteau's iconic First range, the 14SE embodies a legacy of racing excellence and innovation, designed to inspire a new generation of sailors.

Who It's For

The First 14SE is the ultimate sailboat for adventurers who want a boat that's as dynamic as their lifestyle — whether you're learning to harness the wind.
