

THE FIRST 24SE

THE FIRST 24SE

The Beneteau First 24SE (Seascape Edition) is a modern sport cruiser designed for sailors who demand speed, versatility, and comfort in one sleek package. Equally at home on the racecourse, exploring coastlines, or enjoying a weekend getaway, the 24SE delivers a unique blend of performance and practicality.

Key Highlights:

Performance DNA: A light, planing hull and powerful carbon rig deliver exhilarating speed and precision handling, even in light wind conditions.

Versatile Sailing Experience: Whether you're racing one-design, day sailing with friends, or embarking on a coastal micro-cruise, the 24SE adapts to your lifestyle.

Smart, Spacious Interior: Below deck, a surprisingly roomy cabin provides comfortable space for up to four people, with modular features that keep things simple, practical, and adventure-ready.

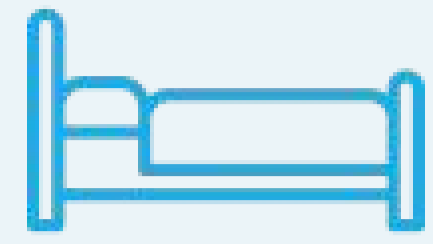

Easy to Launch & Trailer: With a retractable keel and removable rudders, the 24SE is fully trailerable — giving you the freedom to sail anywhere without limits.

Adventure Meets Community: As part of the international First SE fleet, the 24SE connects you with a passionate community of sailors who share your love of racing and adventure.

Safety & Reliability: Designed with modern systems and easy sail handling, the 24SE is approachable for newer sailors while delivering the high performance experienced sailors crave.
