

REP-AIR
HEATING + COOLING

MAINTENANCE

A/C ONLY

Member Price:
\$13/month

Reg: \$21/month

Keep Your Cool with Preventive Maintenance

Before the heat arrives, make sure your air conditioner is ready to perform. Rep-Air's A/C maintenance service is designed to improve energy efficiency and extend the life of your cooling system.

Our certified techs handle the details—so your home stays comfortable all summer long.

What's Included

- Clean the condenser and inspect the evaporator coils
- Verify the cooling operation
- Inspect and tighten electrical connections
- Flush the condensate drain line
- Inspect contactors, capacitors, and relays
- Calibrate the thermostat and check the airflow

As a member,
receive **20% off**
any repair and
priority booking!

Why It Matters

- Reduce energy usage and utility costs
- Maximize cooling performance and comfort
- Maintain manufacturer warranties
- Catch wear-and-tear issues before they cause damage

Why Rep-Air?

1. We see what others overlook
2. All work is verified using professional, industry-specific tools and technology
3. Local, certified HVAC pros with high standards
4. Transparent, no-pressure service
5. Trusted by families across the Lower Mainland

HEATING + COOLING

About Us

ACCREDITED
BUSINESS

B-Gas Permit

Red Seal:

- Plumbing • Electrical
- HVAC • Refrigeration

Company History

At Rep-Air, we don't just fix HVAC and plumbing systems—we build long-term solutions that work better, last longer, and serve your home with real integrity. Founded by Justin McIntyre and Eddie Calder, two Red Seal-certified trades professionals with decades of combined experience, Rep-Air was built from the ground up to raise the standard in our industry. Across the Lower Mainland our team is driven by technical excellence, strong leadership, and a deep belief in doing things right—not just fast. Whether we're tuning your furnace or installing a complete home comfort system, our goal is the same: real results, no shortcuts, and customers for life.

Referral Program

Know someone ready for a new system? Send them to Rep-Air. When your referral purchases a system valued over \$10,000, you'll receive a \$500 **VISA** gift card as our way of saying thanks. Whether it's a friend, family member, or neighbour, your referral helps us grow—and we believe that deserves more than just a thank you.

Rebates

Ask us about available  **FORTISBC** rebates—get up to \$50 back on select equipment! Rebates include: Furnace – \$50, Boiler – \$50, Heat Pump – \$50, & Tankless Water Heater – \$50. Subject to FortisBC eligibility and approval.

What Others Are Saying

"Justin was very informative with the products available and options to fix and/or replace my outdated furnace.. my Installer Colin was very communicative with the progress and able to answer any questions."

Anita S.

"I couldn't be more grateful and pleased with Rep Air's quality service. Justin was courteous and knowledgeable, and gave clear details about the Furnace and heat pump to be installed. His explanation regarding the Fortis rebate was clear and appreciated. Colin went above and beyond with the installation, patience and problem solving with some genius solutions. His professional workmanship along with Rob was excellent. Their daily spic and span cleanup was much appreciated. Thanks to the entire Rep-Air Team especially Chantelle and Trish for their boundless patience!! I would not hesitate to recommend Rep-Air to others."

Lynda S.
