

REP-AIR
HEATING + COOLING

MAINTENANCE FURNACE ONLY

Member Price:
\$13/month

Reg: \$21/month

Be Ready Before the Cold Hits

Don't wait for the first frost to find out your furnace needs attention. Rep-Air's furnace maintenance service ensures your heating system is clean, safe, and ready for reliable performance all winter long.

We focus on the details that matter—keeping your home warm, your family safe, and your furnace running at its best.

What's Included

- Verify burner operation, flame sensor, and clean blower compartment
- Replace furnace filter
- Inspect and tighten electrical components
- Inspect motor bearing
- Use inspection camera to check heat exchanger for cracks or corrosion
- Test thermostat operation and heating cycle
- Inspect ignition and venting system
- Carbon monoxide and safety checks
- **Ask us how to get a \$50 FORTIS BC rebate**

As a member,
receive **20% off**
any repair and
priority booking!

Why It Matters

- Improve efficiency and airflow
- Protect against safety hazards like gas leaks or CO2 exposure
- Extend the life of your furnace
- Maintain warranty compliance with documented service

Why Rep-Air?

1. We see what others overlook
2. All work is verified using professional, industry-specific tools and technology
3. Local, certified HVAC pros with high standards
4. Transparent, no-pressure service
5. Trusted by families across the Lower Mainland

About Us

ACCREDITED
BUSINESS

B-Gas Permit

Red Seal:

- Plumbing • Electrical
- HVAC • Refrigeration

Company History

At Rep-Air, we don't just fix HVAC and plumbing systems—we build long-term solutions that work better, last longer, and serve your home with real integrity. Founded by Justin McIntyre and Eddie Calder, two Red Seal-certified trades professionals with decades of combined experience, Rep-Air was built from the ground up to raise the standard in our industry. Across the Lower Mainland our team is driven by technical excellence, strong leadership, and a deep belief in doing things right—not just fast. Whether we're tuning your furnace or installing a complete home comfort system, our goal is the same: real results, no shortcuts, and customers for life.

Referral Program

Know someone ready for a new system? Send them to Rep-Air. When your referral purchases a system valued over \$10,000, you'll receive a \$500 **VISA** gift card as our way of saying thanks. Whether it's a friend, family member, or neighbour, your referral helps us grow—and we believe that deserves more than just a thank you.

Rebates

Ask us about available  **FORTISBC** rebates—get up to \$50 back on select equipment! Rebates include: Furnace – \$50, Boiler – \$50, Heat Pump – \$50, & Tankless Water Heater – \$50. Subject to FortisBC eligibility and approval.

What Others Are Saying

"Justin was very informative with the products available and options to fix and/or replace my outdated furnace.. my Installer Colin was very communicative with the progress and able to answer any questions."

Anita S.

"I couldn't be more grateful and pleased with Rep Air's quality service. Justin was courteous and knowledgeable, and gave clear details about the Furnace and heat pump to be installed. His explanation regarding the Fortis rebate was clear and appreciated. Colin went above and beyond with the installation, patience and problem solving with some genius solutions. His professional workmanship along with Rob was excellent. Their daily spic and span cleanup was much appreciated. Thanks to the entire Rep-Air Team especially Chantelle and Trish for their boundless patience!! I would not hesitate to recommend Rep- Air to others."

Lynda S.
