

**REP-AIR**  
HEATING + COOLING

# MAINTENANCE

## HOT WATER TANK

Member Price:  
**\$13/month**

Reg: \$21/month

### Keep the Hot Water Flowing, Without Surprises

Your hot water tank is one of the hardest-working systems in your home. With regular maintenance, you can extend its life, improve its efficiency, and avoid unexpected cold showers or leaks.

Rep-Air's detailed maintenance service helps keep your tank in top shape and your home protected from costly water damage.

## What's Included

- Full system inspection for corrosion, rust, or wear
- Test temperature and pressure relief valve
- Check anode rod condition (if accessible)
- Inspect gas burner assembly or electrical elements
- Verify tank temperature and pressure settings
- Tighten fittings and check for leaks

As a member,  
receive **20% off**  
any repair and  
priority booking!

## Why It Matters

- Improve heating efficiency and water quality
- Catch small issues before they become emergencies
- Extend the usable lifespan of your tank
- Protect floors and walls from undetected leaks

## Why Rep-Air?

1. We see what others overlook
2. All work is verified using professional, industry-specific tools and technology
3. Local, certified HVAC pros with high standards
4. Transparent, no-pressure service
5. Trusted by families across the Lower Mainland
