HEATING + COOLING

MAINTENANCE

GAS FIREPLACE

Member Price:
\$25/month

Reg: \$42/month

**One Visit.
One Fireplace.
Total Peace of Mind.**

Your gas fireplace isn't just for ambiance, it's a key part of your home's comfort and safety. Rep-Air's fireplace maintenance service ensures your unit runs clean, safe, and efficient. We inspect, clean, and test all major components so when the cold hits, your fireplace is ready to perform, no surprises, no stress.

What's Included

- Full inspection of burners, thermopile, and pilot assembly
- Cleaning of glass, logs, and interior firebox
- Testing of ignition system and flame sensor
- Verification of gas pressure and leak detection
- Venting and airflow check for proper exhaust
- Safety shut-off function test
- System start-up and performance check
- CO detector review (if applicable)
- **Ask us how to get a \$25 FORTIS BC rebate**

any repair and
priority booking!

Why It Matters

- Prevents buildup of dust, debris, and residue that can affect performance
- Ensures safe operation and reduces the risk of gas leaks or CO exposure
- Helps your fireplace ignite reliably when you need it most
- Improves energy efficiency and reduces unnecessary fuel use
- Extends the lifespan of components and reduces the need for repairs
- Verifies proper ventilation and combustion to meet safety standards
- Keeps your fireplace looking clean and burning beautifully

Why Rep-Air?

1. We see what others overlook
2. All work is verified using professional, industry-specific tools and technology
3. Local, certified HVAC pros with high standards
4. Transparent, no-pressure service
5. Trusted by families across the Lower Mainland

**Serving Mission & the Lower Mainland
