   **ChatGPT, Gamma AI, Gemini**
PRESENTATIONS ASSISTANT

Gabby: Gamma Presentations

ChatGPT synthesizes research and insights, creates a presentation outline and Gamma produces a Partner-level draft of the presentation and I finish it with Gemini / Nano Banana in Google Workspace.

  **Custom GPT / Gemini Gem**
PERSONAL ASSISTANT

Cassie: Chief of Staff

Strategic thinking partner as I am thinking through writing memos, drafting presentations, or conducting research or when I need help working through decisions I would normally bounce off of a colleague, but I am work remotely or at ungodly hours of the day and no one else is awake.

   **NotebookLM, Gemini Nano**
Banana
IMAGE ASSISTANT

Indy: Image Expert

Creates visually appealing images from boring text that I would normally input in a presentation in bullet form. This gives more life to my text and slides.

  **ChatGPT (Web Search / Task), Perplexity**
INSIGHTS ASSISTANT

Sammy: Sector Summary Specialist

Provides high-level, relevant and timely insights into sectors that I am considering for investment. Presents the information in a digestible format to share quickly with my team.
