The Cool Guys

They add alternative perspectives and insights to my reasoning. And they are very cool!

Jeanine

She is my email triage assistant; she helps me navigating the jungle of emails without missing critical messages

Petunia

Save me a ton of time in looking for routine inputs and external benchmarks

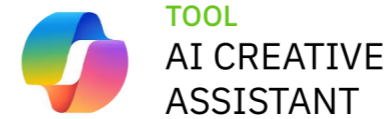

Silvia Bettoschi

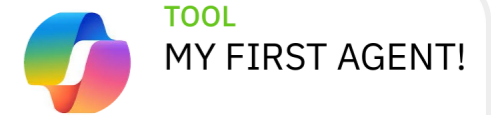

Sherlock

I can delegate (very time-consuming!) deep and broad researches and analysis, while I tackle other urgencies

Picasso

He is my PowerPoint assistant. I delegate him the boring slides creation, but he also has an artistic soul!

Org Design Guru

He knows everything about organization design, and the framework/guidelines used by WCG. He helps me with complex analysis and organization design challenges
