This Certifies That

Guillaume Molter

Has Demonstrated Practical Expertise By Implementing
A Minimum Of Four AI Assistants.

Hereby Recognized As A

Qualified AI Leader

CONDUCTED BY

Phil Kirschner

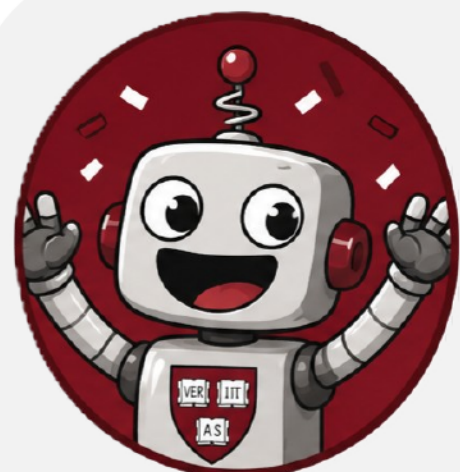

TRANSFORMATION PARTNER, LEAD WITH AI

Clark – Weekly Planner

Update my to-do list, OCR my notes and generate my notepad for the week.

✱ Claude Skill

Mira - Monthly Impact Report Assistant

Store agendas and answer questions about previous Monthly Impact Meetings. Every months helps me create new agenda.

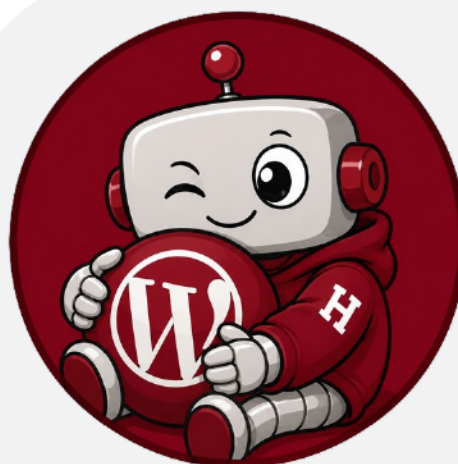

✱ Claude Co-work Project

Kira - Jira Project Manager

Create/update projects and tasks. Create status report ahead of meetings.

✱ Claude Code Skill

Wapu - WordPress Expert

Knows how our different WordPress applications are configured. Answer question and brainstorm technical solutions using my team's preferred tools and methods.

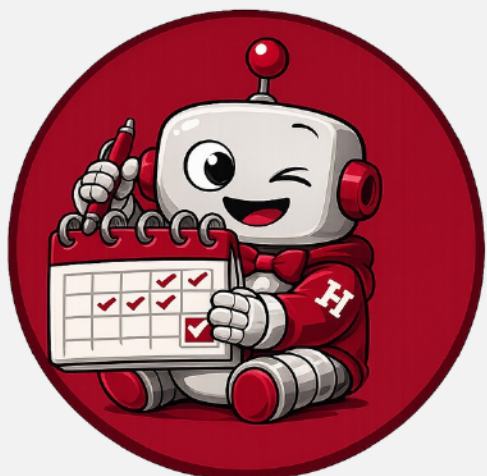

✱ Claude Co-work Project

Gerard - Jira Administrator

Knows everything about how Jira is configured. Guides me through configuration changes.

✱ Claude Co-work Project

Kal – Calendar Assistant

Knows my meeting format preferences. Provide or check lists of time-slots options.

✱ Claude Skill
