Hereby Recognized As A

**Certified Advanced  
AI Leader**

## STRATEGIC BOARD OF DIRECTORS

### Strategic Board of Directors

Provides strategic advice through three distinct expert perspectives, challenging assumptions, surfacing trade-offs, identifying blind spots, and producing a unified recommendation. Estimated time saved: 1-2 hours per strategic decision

Iaryn

**Blanchard**  
Director, Research & Innovation Strategy

## AI PRODUCTIVITY ASSISTANT

### Slack Brief

Reviews the week's Slack messages and extracts one high-potential thought leadership or intellectual property insight for further development, reuse, or publication. Estimated time saved: 30 mins per week

## AI LEARNING ASSISTANT

**IP Learning Partner**  
Delivers a short daily lesson on intellectual property stewardship, institutional intelligence, and related practices, helping build practical expertise over time. Estimated time saved: 2 hours per week

## AI CREATIVE ASSISTANT

**Writing Partner**  
Turns rough notes, research, and incomplete drafts into clear, polished writing for memos, proposals, thought leadership, presentations, and other high-value communications. Estimated time saved: 2-4 hours per writing task

## AI RESEARCH ASSISTANT

**Future of Work Brief**  
Runs a weekly scan of workforce strategy and work redesign developments using five recurring lenses: Tech, Talent, Trust, Leadership, and Longevity. Surfaces the most relevant signals, implications, and actions. Estimated time saved: 2-3 hours per week

## AI INSIGHT ASSISTANT

**Deep Research Partner**  
Conducts rigorous research on complex topics, synthesizes credible sources, identifies competing perspectives, and translates findings into clear implications and recommended actions. Estimated time saved: 3-5 hours per research task
