Jessica Maagma
SAVP IT Infrastructure
Service Delivery

Vulnerability Prioritizer (Vibe Code using canvas)

Piper

(AI Assistant using Google studio)

This agent provides a pre-meeting summary of discussion points in chat. This will help me prepare before attending the meeting.

Emma

(AI Assistant using Google studio)

This agent provides summary of my unread email in chat with category if the email is urgent and require action. This helped a lot in making sure I don't miss any email
