Copilot M365
PERSONAL BOARD
OF DIRECTORS

My Personal Board of Directors

Helps me sharpen my thinking, challenge my assumptions, and clearly define my path towards Enterprise AI Strategy. It transformed how I position my experience, communicate my value, and prepare for strategic opportunities.

Copilot M365
AI Governance
Assistant

AI Governance

Helps the broader organisation navigate complex AI governance by linking all relevant sources into one place

Copilot M365
AI INSIGHT
ASSISTANT

My Insights Assistant

Synthesizes important data points to save time and surface actionable insights for me. This can be from external research or internal documents

AI RESEARCH
ASSISTANT

My Researcher

Scans credible sources each week to identify the most important developments in AI governance, workforce transformation, and insurance, then translating them into actionable insights you can apply immediately. Keeps me informed

Copilot M365

Copilot M365
AI ideas Assistant

My Ideas Store

An assistant to contain all my ideas and act as a repository to draw from combining inputs from OneDrive and additions I have made over time.

CoPilot Studio
Agent

My Work Buddy

A combination of assistants such as Chief of Staff and Email assistant to help me organise my day and close off my day with all actions
