TOOL
AI INSIGHT
ASSISTANT

Brownell

Named after my favorite college professor, he helps me spot trends and generally offers insight beyond surface metrics.

TOOL
PERSONAL BOARD
OF DIRECTORS

JCS (joint chiefs of staff)

My internal (AI) team that critiques my ideas/suggestions and vastly improves my strategic work.

TOOL
AI PRODUCTIVITY
ASSISTANT

Vlad

Email, email, email. Vlad does conversation summaries and helps me prioritize responses based on criteria.

TOOL
AI SCHEDULING
ASSISTANT

Yolanda

Quickly performs the outlook calendar data mining that takes me time. Used not just for meetings, I had Claude create a shareable artifact based on metrics Claude pulled from our Media Services/AV requests calendar.

TOOL
AI TECHNOLOGY
PROFESSOR

Alfred

Also known as "My Anything SME" this assistant prompts me to enter a term and then fires back a definition and some current industry data on it.

TOOL
AI CREATIVE
ASSISTANT

Snoops

Helps me keep my presentations from getting boring. Brings creativity to dry material.
