# A MESSAGE FROM YOUR PASTORS

New Life is more than a church, it's a family. For 100 years God has been faithful to build a community of people leading others into a fully devoted relationship with Jesus Christ. We are a family of devoted disciples, carrying the hope of the gospel across the street and around the world. Jana and I are deeply grateful for you and honored to call you part of the New Life family.

Because of your faithfulness and God's grace, lives continue to be transformed. People are finding hope, marriages are being restored, and generations are being shaped by the love of Christ. Every week we gather to worship, study God's Word, serve our communities, and walk through life together, rooted in Scripture, anchored in truth, and sent with purpose.

As we celebrate 100 years of God's faithfulness, we do so with gratitude for the past and faith for the future. This report reflects what God has done through New Life over the last year, and points us toward what He is still doing. Join us as we step boldly into 2026, believing together that the best is yet to come!

Heart and Soul,  
Pastor Troy & Jana Jones
