

## Theology Threads | Season 6: Episode 7 Notes | Godly Wisdom Doesn't Look Like This

### Summary

It's episode 7 of Season 6 in Theology Threads today and we are talking about wisdom! In our culture we are inundated with voices confidently speaking "truth". People, groups, and politicians even use the bible to push agendas that conflict with the very heart of God. This leaves us confused and often wondering how to truly live with godly wisdom in a day and age where we so desperately need it. James gives us clarity on how to navigate exactly this! You won't want to miss this episode!

### Reflection Questions

Have you ever heard something that sounded wise or right but when you examined it in light of the Word of God proved wrong?

Have there been times when you've chosen Godly wisdom over what seemed like conventional wisdom? What was that journey like?

Is there anyone in your life that displays the "godly" wisdom James describes in chapter 3? Good works, life of humility, meekness, integrity, peacemaker, gentle?

And, are there voices or influences in your life that you need to examine?
