### **Technology Policy**

Our summer camp technology policy states that no devices such as phones/tablets/iPads/smart devices are allowed while at Lake Retreat. This ensures the safety and security of students while also promoting a more enjoyable environment where students can be free from distractions.

Staff will pick up and secure any phones or devices seen at camp. We will return these to the parents when we arrive back at New Life on July 3

Cabin leaders and youth pastors will have their phones and, in an emergency, students will be allowed to call home. Parents may text the Camp Coordinator, Judy Parkins (253.222.0890) or call Lake Retreat Office 425.432.4293 in case of an emergency.
