DISCLOSURE STATEMENT OF MUNICIPAL ADVISOR

This Disclosure Statement is provided by Reedy Financial Group, PC ("Municipal Advisor") to the **City of Vincennes and its affiliates** (the "Client") in connection with the Municipal Advisor Engagement Letter dated **October 5th, 2026** (the "Agreement") and is dated as of the same date as the Agreement. This Disclosure Statement provides information regarding conflicts of interest and legal or disciplinary events of Municipal Advisor required to be disclosed to Client pursuant to MSRB Rule G-42(b) and (c)(ii).

PART A - Disclosures of Conflicts of Interest

MSRB Rule G-42 requires that municipal advisors provide to their clients disclosures relating to any actual or potential material conflicts of interest, including certain categories of potential conflicts of interest identified in Rule G-42, if applicable. If no such material conflicts of interest are known to exist based on the exercise of reasonable diligence by the municipal advisor, municipal advisors are required to provide a written statement to that effect.

Material Conflicts of Interest - Municipal Advisor makes the disclosures set forth below with respect to material conflicts of interest in connection with the Scope of Services under this Agreement, together with explanations of how Municipal Advisor addresses or intends to manage or mitigate each conflict.

General Mitigations - As general mitigations of Municipal Advisor's conflicts, with respect to all of the conflicts disclosed below, Municipal Advisor mitigates such conflicts through its adherence to its fiduciary duty to Client, which includes a duty of loyalty to Client in performing all municipal advisory activities for Client. This duty of loyalty obligates Municipal Advisor to deal honestly and with the utmost good faith with Client and to act in Client's best interests without regard to Municipal Advisor's financial or other interests. The disclosures below describe, as applicable, any additional mitigations that may be relevant with respect to any specific conflict disclosed below.

I. Compensation-Based Conflicts. The fees due under this Agreement are in a non-fixed amount established at the outset of the Agreement. This form of compensation presents a potential conflict of interest because, Municipal Advisor may recommend more time-consuming alternatives. This conflict of interest is mitigated by the general mitigations described above.

II. Other Municipal Advisor Relationships. Municipal Advisor serves a wide variety of other clients that may from time to time have interests that could have a direct or indirect impact on the interest of Client. For example, Municipal Advisor serves as municipal advisor to other municipal advisory clients and, in such cases, owes a regulatory duty to such other clients just as it does to Client under this Agreement. These other clients may, from time to time and depending on the specific circumstances, have competing interest, such as accessing the new issue market with the most advantageous timing and with limited competition at the time of the offering. In acting in the interest of various

clients, Municipal Advisor could potentially face a conflict of interest arising from these competing client interests. None of these other engagements or relationship would impair Municipal Advisor's ability to fulfill its regulatory duties to Client.

PART B - Disclosures of Information Regarding Legal Events and Disciplinary History

MSRB Rule G-42 requires that municipal advisors provide to their clients certain disclosures of legal or disciplinary events material to its client's evaluation of the municipal advisor or the integrity of the municipal advisor's management or advisory personnel.

Accordingly, Municipal Advisor sets out below required disclosures and related information in connection with such disclosures.

I. Material Legal or Disciplinary Event. There are no legal or disciplinary events that are material to Client's evaluation of Municipal Advisor or the integrity of Municipal Advisor's management or advisory personnel disclosed, or that should be disclosed, on any Form MA or Form MA-I filed with the SEC.

II. How to Access Form MA and Form MA-I Filings.

Municipal Advisor's most recent Form MA and each most recent Form MA-I filed with the SEC are available on the SEC's EDGAR system at: <https://www.sec.gov/edgar/browse/?CIK=1623997>

III. Most Recent Change in Legal or Disciplinary Event Disclosure. Municipal Advisor has not made any material legal or disciplinary event disclosures on Form MA or any Form MA-I filed with the SEC.

Future Supplemental Disclosures

As required by MSRB Rule G-42, this Disclosure Statement may be supplemented or amended, from time to time as needed, to reflect changed circumstances resulting in new conflicts of interest or changes in the conflicts of interest described above, or to provide updated information with regard to any legal or disciplinary events of Municipal Advisor. Municipal Advisor will provide Client with any such supplement or amendment as it becomes available throughout the term of the Agreement.

PART C – Other Information for Municipal Advisory Clients
