Mi School Store will:

- Customize and set up a webstore with one design/logo at no charge. One design will be embroidered and/or screen printed/heat pressed; each additional design is \$50. Numerous changes to the site may incur an additional charge which will be deducted from the fundraising check. Requests to reopen the store for a 2nd round will be reviewed at the time of request.
- Order and decorate apparel and products ordered. Solve any issues directly with each customer, i.e. item(s) out of stock in a color or size.
- Bag and label each order. Divide by team/group if designated.
- Ship directly to customers if included in the order.
- Give back to the program/team based on the total amount of sales (minus shipping, taxes, credit card and Order My Gear fees). *Late orders accepted after the site closes will not be included in the sales total for fundraising.

- Review and approve the website prior to sharing with your group.
