

Pico's truth tracker

Oh no! Pico tried to hack the game for infinite wobble coins and caused a catastrophe. Help Moxo and Luno find the hidden words to clean up the messy code and make Pico a Smart Coder again!

Pause

If a video makes you feel angry or scared, stop watching the video.

Facts

These are real pieces of information, unlike the tricky stories a Whispering Wolf might tell.

Check

Always use the **Safe & Smart Scan** to see if a message is trying to trick you.

Block

You can block a channel or close an app if the person speaking is being unkind.

Tell

If you see something that feels odd, go and find a trusted grown-up to talk about it.

Friend

Real-life friends and family care about you and won't tell you to be mean to others.

Truth

Searching for the truth helps you see through the lies and stay **Safe & Smart**.

Secret

Tricky people love secrets; real helpers like teachers and parents don't ask you to hide things.
