

Good morning YECA Families!

Last Wednesday, we hosted our Annual Career Day! We welcomed presenters from a wide range of professions, including lawyers, marketing executives, FBI agents, nurses, EMTs, pilots, NYPD officers, and engineers, just to name a few.

Our scholars spent the day exploring careers in depth. They began with a lesson to prepare for the experience, engaged with five guest speakers, and wrapped up with a reflective activity where they shared feedback and insights from the day.

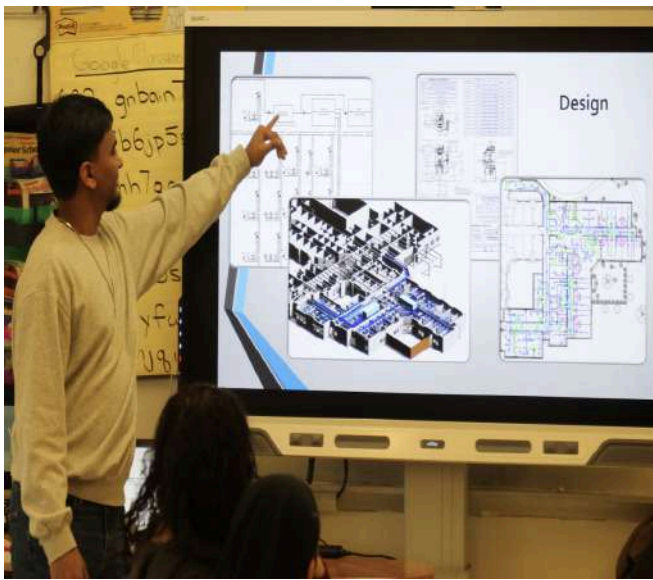

What made this event even more special was that the majority of our presenters were YECA alumni! Our scholars had the unique opportunity to hear firsthand about the positive impact of an early college experience.

A special thank you to our Student Services Department for coordinating this event and to our Principal Advisory Committee members for warmly welcoming our presenters and escorting them throughout the day. Lastly, thank you to our families for encouraging conversations at home and giving scholars the chance to share their Career Day experiences!

Warm regards,

Principal Krempa
