

End-to-End Managed Services

Delivering 100% Resource Fulfillment for Multi- Location Operations

Client Overview

Our client is an American home improvement supplies retailing company that sells tools, construction products, and services.

The company is headquartered in Atlanta, Georgia and represents the largest home improvement chain in the United States.

The Challenge

The client required comprehensive project-based staffing solutions across multiple locations with diverse service requirements:

- Multiple project and staffing needs across Atlanta and Austin locations
- Average 40+ headcount requirements across various service areas

The Solution

Saicon has successfully delivered a broad range of workforce and project-based engagements for the client since 1994. Some of the areas include, but are not limited to:

- Stores
- Supply Chain
- Warehouse Management
- Real Estate and Lease Management
- Home Services
- Professional Services
- International operations
- Security
- PMO (Project Management Office)

Outcomes Delivered

The long-term partnership has consistently delivered comprehensive staffing solutions with exceptional satisfaction:

- ✓ End-to-end services delivered across all client service areas
- ✓ 100% fulfillment of resource needs
- ✓ 5/5 customer satisfaction rating maintained over decades of partnership
