

*Accelerating the
Integration of
Clean Energy*

WHAT WE DO

We develop and build turnkey renewable power generation and energy storage projects with a focus on superior quality throughout every stage of the process. We do this by leveraging our deep understanding and comprehensive analysis of power grids and markets with leading development and commercialization expertise.

OUR APPROACH

THE COMMUNITY IS PART OF OUR TEAM

We are in this together. We pride ourselves on a collaborative approach to decision making—by actively engaging with key project stakeholders—including community members.

FOCUS ON BEING A GOOD NEIGHBOR

At Accelergen, our projects go beyond developing clean energy facilities. Our commitment lies in fostering positive growth and economic benefits for local communities.

QUALITY OVER QUANTITY

Accelergen highly values your time and resources and we will not misuse them. Our project development is thoughtfully planned and evaluated before approaching you, ensuring project viability.

OUR EXPERIENCE

DEVELOPMENT

Developed **over 8GW** of greenfield renewable energy projects **across 20 states**. Our success continues to be driven by our focus on community.

FINANCING

Led and supported the closing of **over \$5B of project and platform financing** including equity, debt, and tax equity.

CONSTRUCTION

Completed construction on **over 4.5GW of solar, wind and energy storage assets**. We leverage our turnkey EPC expertise to design and build projects for long-term success.

OUR VALUES

COMMUNITY

We are in this together. The strength of our community is a measure of our success.

ACCOUNTABILITY

We humbly take responsibility for our outcomes, impacts, mistakes, and strive to continually improve.

INTEGRITY

We are honest and transparent in all our interactions and do what we say we will do.

EXCELLENCE

We perform our work to the highest standards striving to live our core values every day.

INCLUSION

We work to create an inclusive environment based on respect for others' perspectives, preferences, and culture.

FUN

We believe having fun at work contributes to a positive company culture and a healthier, more productive life.

TRUST

Extending and earning your trust are core to our approach.
