Site Visit: Monday, August 31, 2026 @ 11:00am, 1403 Kahtishraam Rd, Yreka

More Information: Chris Carlin 707-951-3830, ccarlin@karuk.us

1. The Karuk Tribe Housing Authority (KTHA) requests lump sum fixed-price quotations for all, labor, material, equipment, and travel necessary for the Yreka Camera Equipment & Surveillance Project in Yreka, California. The awarded contractor shall furnish and complete all equipment, cameras, wireless radios, antennas, recording systems, network equipment, labor, installation, programming, testing, and commissioning necessary for a complete turnkey surveillance system at Karuk Tribe Housing Authority, Yreka, CA, (Siskiyou County) as described further in the attached Scope of Work.
2. KTHA is requesting these quotations under the small purchase procedures. This is a less formal, simplified process which will help us to expedite our selection. Because KTHA is following this process, we will not be able to accept quotations that are more than \$350,000.
3. Quotations are invited from non-Indian as well as Indian-owned economic enterprises or organizations.
4. Quotations may be submitted by email, mail, or hand delivery. All quotations must be submitted to KTHA in writing and emailed to nthompson@karuk.us, mailed or hand delivered to PO Box 1159, 635 Jacobs Way, Happy Camp, CA 96039 by Friday, September 4, 2026 by 5:00 pm.
5. The Scope of Work is as set forth on Appendix A attached to this Solicitation. A Mandatory Site Visit is required prior to bidding, Monday, August 31, 2026 at 11:00 am, 1403 Kahtishraam, Yreka. All bidders must attend, additional appointments will not be available.
6. **Indian Preference.** Any firm seeking Indian preference in this award must provide evidence that it is not less than 51% Indian owned and controlled. If claiming this preference, please contact us immediately so that we can fax you a pre-qualification statement that you must fill out and return within two days of your receipt. KTHA will then review the statement and determine eligibility for preference.
7. **Award.** The contract will only be awarded to a responsive, responsible individual or firm. The contract will be awarded to a qualified Indian enterprise submitting the lowest responsive quotation if such quotation is within budgeting limits established for this solicitation and is within the limits identified in the KTHA Procurement Policy regarding Indian preference in contracting. If no responsive quotation by a qualified Indian enterprise is within the above-stated limits, then award will be made to the individual or firm with the lowest responsive quotation.
8. All quotations must contain a commitment to provide Indian preference in 1) subcontracting, 2) training, and 3) employment, and must contain a statement describing the methods that will be used to provide such preferences. This statement is part of the submitted quotation. This statement will be evaluated as part of the submitted quotation, and any quotation failing to contain such preference statement or failing to adequately address such preference requirements shall be deemed non-

responsive. If you believe it is infeasible to provide Indian preference in subcontracting, training, or employment, you must include in your quotation a certification as to the reasons why.

9. The form of Contract which contains the terms and provisions of the contract agreement between KTHA and the individual or firm selected for this work is available for review upon request. By submitting a quotation, you hereby agree that if selected, you shall deliver to the Authority, within the time later designated by the Authority, a properly executed Contract and to be bound by all terms and conditions set forth therein, including but not limited to assurance of performance, completion dates, prevailing wage rates, warranties, other federal requirements, and other terms and provisions as set forth therein.
10. All quotations must commit to remaining open for at least 45 days.
11. The selected contractor will be responsible for paying all Tribal license fees and taxes, as well as permits that may be required, if any.
12. The successful individual or firm on this solicitation must comply with the Tribe's TERO Ordinance, including any licensing requirements. This includes, but is not limited to, paying a 2% TERO fee on the work to be performed. Tribal minimum wage rates shall apply. For a copy of the TERO Ordinance and more information, the Karuk Tribe TERO Director, should be contacted at (530) 493-1600 ext. 2030.
13. All bidders acknowledge that Karuk Tribal Sales Tax is 6% and will be paid for all materials purchased in conjunction with this contract and delivered to Karuk Tribal Trust Land. Contractor shall apply for and receive a California Seller's Permit (AKA: California State Board of Equalization Resale Number) prior to the commencement of work under this contract. The requirement for the Seller's Permit is to allow the Contractor to obtain materials and fixtures from the supplier without paying tax. The Contractor may then resell the materials and fixtures to the Owner on Karuk Tribal Lands before installation. Nothing herein shall allow the Contractor to charge more than the actual price/value of the materials and fixtures provided. Title to the materials and fixtures transfers to the Owner (Karuk Tribe Housing Authority) on the Karuk Tribal Lands and prior to the installation of the materials by Contractor.
14. This project will require a Cultural Monitor, who is an employee of the Karuk Tribe. **Contractor must provide at least 72 hours' notice prior to digging** for a monitor to be properly dispatched to the site.
15. This solicitation does not commit KTHA to award a contract or to pay any costs incurred in the preparation of quotation or the procurements of supplies. KTHA reserves the right to reject any and all quotations or to re-solicit when it is deemed by KTHA to be in its best interest to do so.
