## Karuk Tribe Seeks Community Input on LIHEAP Annual Plan

It is time for the Karuk Tribe to submit its Annual Plan for the use of our Low-Income Home Energy Assistance Program (LIHEAP) funding, and we would like to get input from the tribal community.

LIHEAP helps eligible households with home energy costs and supports the health and well-being of families in our communities. As part of the annual planning process, the Karuk Tribe welcomes comments, questions, and concerns regarding the use of LIHEAP funding and the services provided through the program.

Tribal community members who would like additional information, review the proposed Annual Plan, or provide comments are encouraged to contact:

Community feedback is appreciated and helps ensure the program continues to respond to the needs of the people we serve.

Yôotva!
