ICCON

INDIA CARGO CONVENTION

An event for the Inspection & Logistics Industry

India Cargo Convention (ICCON) is a unique platform bringing together key stakeholders from the inspection, freight forwarding & shipping agencies, cargo & material handling, warehousing sectors & the Trade. With the global supply chain landscape evolving rapidly due to technology, trade policy shifts, and increasing emphasis on compliance and sustainability, the conclave will feature a combination of a high-level conference, a curated exhibition, and an industry awards ceremony, providing unmatched opportunities for knowledge exchange, networking and business development.

Objectives of the Conference

1. **Business Sessions on Trade, Policy & Compliance, Technology, Sustainability & Supply Chain**
2. **Showcase Innovations:** Highlight advancements in inspection and logistics services, including automation, digital transformation, and sustainable practices.
3. **Facilitate Networking:** Create a common ground for stakeholders to collaborate on trade facilitation and supply chain optimization.
4. **Policy & Compliance Dialogue:** Address regulatory frameworks, compliance, and the future of trade certifications.
5. **Recognize Excellence:** Celebrate organizations and individuals delivering exceptional contributions to trusted trade.
6. **Business Enablement:** Provide exhibitors and sponsors with a platform to showcase their solutions, build partnerships, and enhance ROI.
