

Meet the Mental Health Continuum Clinician

Aleena Khan, LMSW

All About me

I am here to support your child's mental health and well-being. Together, we can develop a personalized plan that addresses their unique goals and needs. I am available at PS 140 on Tuesday and Thursday in room 305.

The Mental Health Continuum Program

P.S. 140 and Lincoln Hospital are collaborating to create a specialized program dedicated to supporting student mental health. This initiative provides convenient, school-based mental health services, allowing families to receive care without the need to visit the hospital.
