WELCOME

A MESSAGE FROM THE RACE DIRECTOR

Hello fellow Outlaws,

I'm Iain Hamilton, your Race Director and a long-time fan of this brilliant, demanding, and let's be honest, addictive sport we all keep coming back to.

This year we're celebrating the 10th anniversary of Outlaw Holkham, and this weekend holds a special place in my heart. Set against the North Norfolk countryside and the Holkham Estate, it's an event I've poured a decade of passion and energy into. Ten years in, I'm genuinely excited to welcome you to it.

What makes this day special isn't just the course or the challenge, it's the people. You're joining a community of supportive, determined, and inspiring individuals who make the Outlaw experience what it is.

Whether this is your first Outlaw or you've been with us since year one, I hope you soak up the atmosphere, race hard and make some unforgettable memories along the way.

Here's to ten years, and many more to come.

See you on the start line.

Race Director – Outlaw Triathlon Series
Iain Hamilton

TRANSITIONS

TRANSITIONS AND BRIEFINGS

TRANSITION AREA

Every time you enter transition, you'll need to be wearing your Event Security Wristband. On Sunday morning, you will also need to be wearing your helmet securely fastened as you enter transition for the first time. Once you have racked, as you leave transition, you will be given two bottles for the bike, you will need to fill these yourself.

NEW BTF RULES

We ask athletes to please make themselves aware of new BTF regulations, including the **The 2026 BTF Towel Rule (Section 7.1.z)**

Summary:

- **Large Towels Banned:** Large towels or beach towels are no longer permitted to mark transition spaces.
- **Small Towel Allowed:** Athletes may use a small towel, maximum 12" x 12" (30cm x 30cm) or roughly the size of a flannel.

For further information or any questions on BTF ruling, please visit their [website](#) or contact them directly.

ON-SITE RACE BRIEFINGS

There will be three briefings: 13:00, 14:30 and 16:00. It is advised to attend one which will take place in the Lady Elizabeth Wing.

RELAY INFORMATION

Only one person will be required to register for the team and rack the bike on the Saturday. However, they will be required to bring photo ID for all members.

The race pack will contain a timing strap and security wristband for each team member.

On race day all team members will need to be wearing their security wristband to be able to gain access into the transition area.

The tag will take place at your team's allocated racking slot.

Tagging Procedure – The teams cyclist should wait by their bike without their helmet on until tagged, only then can they put their helmet on and unrack the bike. When they return, they must securely rack their bike before tagging the runner.

BAG DROP

You'll find bag drop located within the transition area, available to all athletes. It's a secure area, accessible only by athletes, so you can rack your kit with confidence and focus on the race ahead.

THE START

THE START

RACE START

Athletes start in a time trial format, with 2 athletes starting approximately every 6 seconds.

There will be a timing point on the pontoon and your event will start as you pass the timing point. There is no need for athletes to be in exact number order as your time will begin as you pass through the timing point.

There are two gangways, for you to use to access the water. Due to the event starting in a TT format there will not be any opportunity to acclimatise in the lake prior to your race start. If you need to take a minute to acclimatise, please move to one side and note that the time taken will be included in your overall time.

Please note, the lake in Holkham is shallow and there may be sections where your hands can touch the bottom when swimming, dependant on how long your arms are! This is nothing to worry about and the water is completely safe, but it is something we like to warn athletes about so it is not a surprise on race day.

SPECTATORS

Spectators are allowed to come down to the swim start area.

ATHLETES

We will have a small mass start wave at the beginning of the swim, with the fastest predicted swim times starting in a small group together. If you are part of this wave, you will receive a specific email.

All athletes will start between 06:00 and 07:00, you will be given a window which will be emailed out to each athlete before the event.

THE SWIM 1.2 MILES

CUT-OFF: 1 HOUR 20 MINUTES TO EXIT TRANSITION

The swim takes place in the lake within Holkham Hall Estate. Swimmers will be called into the Swim Start Holding Pen based on your swim hat colour, which has been allocated according to the predicted swim time you provided at entry.

A full safety team will be on the water throughout, with medical support lakeside. If you need assistance at any point, roll onto your back, wave an arm and make as much noise as possible.

THE SWIM

THE BIKE 56 MILES

CUT-OFF: 5 HOURS 20 MINUTES
AFTER YOUR START, INCLUDING T2

IMPORTANT BIKE COURSE INFORMATION:

- The route includes small sections of partially closed roads, but is mostly on open roads. Marshals will help at junctions, but it's ultimately your responsibility to ride safely and within the highway code. You must slow or stop if required.
- We are working with the local highways to improve the route road surface, however please watch for orange spray and "CAUTION POOR SURFACE" signs. Stay alert through these sections.
- Always ride inside traffic cones where provided, keeping them to your right, as riding outside will lead to disqualification. They are there for your safety.
- There will be Outlaw Support Vehicles and BTF Moto Officials on the course. Signal them or a marshal if you need assistance.
- Only discard litter at the Bike Feed Station or carry it back, littering elsewhere will result in disqualification.
- This is a non-drafting event, so always keep a 12m gap from riders ahead unless overtaking. You have 25 seconds to overtake. If you are overtaken it is your responsibility to drop back out of the drafting zone. **DO NOT** ride in bunches.

You're representing Outlaw, our sport and yourself, so please set a great example out there!

THE BIKE 56 MILES

FEED STATION | 31 MILES

TOILETS:

FEED STATION LAYOUT:

APPROACHING THE FEED STATION

As you approach the feedstation drop empty bottles in the designated drop zone. Please slow down and call out your needs (e.g 'High5' or 'water'). Dispose of any extra rubbish in the bins at the feed station. Littering anywhere else on the course will result in disqualification, as per BTF rules, as we must respect the beautiful countryside and local residents.

TRANSITION - BIKE TO RUN

On the descent past Holkham Hall, control your speed as you approach the dismount line. You need to dismount your bike before the line.

After racking your bike, head to the Run Exit at the far end of transition. Take care as you make the U turn back towards the Hall and joining the run route at the road.

THANK YOU TO WILLIAMS OF LONDON FOR PROVIDING THE BANANAS ON THE FEEDSTATIONS!

BIKE COURSE SUPPORT

There will be two support vehicles on the course. They can provide bike maintenance support on the course and will have a limited supply of spares to assist should you need it. Please be aware they may be a while getting to you, as they may already be helping someone else.

We recommend you carry spares for your bike and know how to use them.

THE RUN 13.1 MILES

CUT-OFF: 9 HOURS AFTER YOUR START TIME

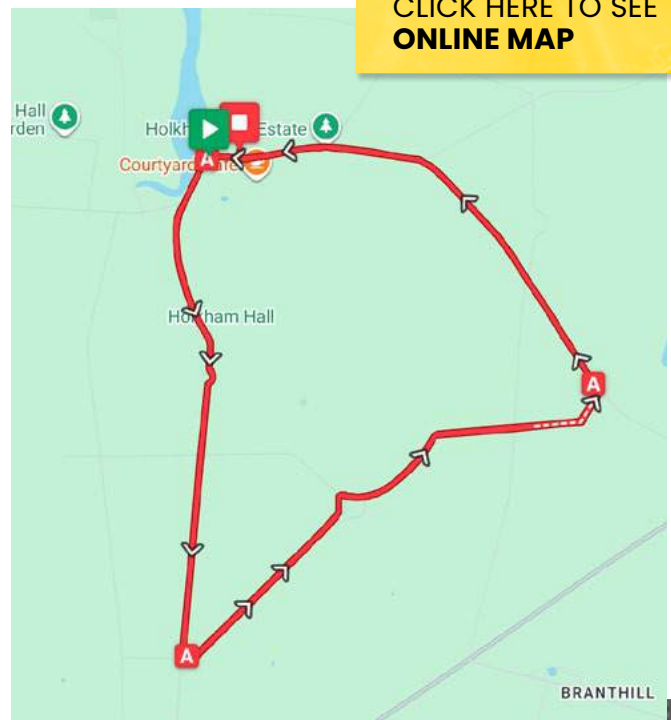

The run course takes place entirely within the scenic Holkham Estate. After exiting transition at the top right corner, you'll pass the first feed station and follow the same route as the bike course up to the Obelisk. Enjoy the view of Holkham Hall over your left shoulder as you climb.

At 1.5 miles, turn left off the main drive onto a well-maintained farm road and pass Feed Station 2. You'll run through woodland paths before reaching Feed Station 3 at 3 miles. You'll then turn left again onto an estate road which leads towards the end of the lap.

Keep an eye out for deer and Red Kites as you run through the estate's stunning grounds. After laps one and two, you'll pass the lap-counting timing point in front of the Hall. On your third and final lap, stay right onto the orange carpet to finish your Outlaw Half Holkham journey.

Remember: no littering – dispose of all rubbish at the official Feed Stations or provided bins, or you will be disqualified.

THE FINISH

When filtering into the finish chute and onto the orange carpet, look up and celebrate finishing Outlaw Holkham Half, with the beautiful Holkham Hall in the background.

Once you've crossed the line, head into the finisher area where you'll receive your medal, finisher's t-shirt and a well-earned drink. Your t-shirt size is printed on your athlete wristband in case you need a reminder!

FRIENDS & FAMILY FINISH

If you'd like friends or family to join you on the orange carpet, they will need to meet you in the Friends & Family (FAF) area at the top of the finish chute. We kindly ask that no more than two people join you, as larger groups can impact on other athletes' finish experience. Any children entering the FAF area must be wearing a wristband with their non-racing guardian's contact details on, these can be collected from registration on Saturday. Should the athlete require any medical attention, our welfare team will use these details to contact the guardian directly.

Children must be over three years old to join you on the orange carpet.

POST-RACE MEAL

Don't forget to head to the Lady Elizabeth Wing in the main building for your post-race meal, and please don't skip it! When you collect your finisher t-shirt at the finish line, you'll also be given a token to use for your meal there. Prepared by Chef Mark and his team, it's a two-course meal that is truly not to be missed and very well deserved after everything you've put in out on that course.
