Dear District 32 Families,

As we close out the year, I want to extend my warmest wishes to you and your loved ones for a joyful holiday season and a happy healthy New Year.

Thank you for the incredible partnership and support you continue to show our schools and community. Because of you, District 32 truly shines. From attending our monthly family literacy and math workshops, to igniting a love of reading through our partnerships with the Brooklyn Public Library and schoolwide events, your engagement makes a lasting difference in the lives of our students.

This year, we also came together to celebrate the rich cultures that make our district so special and to support one another through our coats and canned food drives, ensuring our families had warmth and nourishment during the colder months. We created joyful memories through events such as our tree lighting ceremonies at Irving Square Park and Maria Hernandez Park, and our Winter Wonderland Toy Giveaway at the District Office. These moments of connection and care reflect the heart of District 32.

As we look ahead, I am excited for a dynamic 2026 and all that we will accomplish together. Thank you for trusting us with your children, for walking alongside us, and for being an essential part of our District 32 family.

Together, we shine.

With gratitude and warm holiday wishes,

Arelis Parache
