

## Bag in Box

---

Bag-in-box wines are not just simple containers: they represent the ideal solution for preserving the freshness and authenticity of wine, day after day.

**Varieties:** White IGT Veneto Garganega and Red IGT Veneto

**Alcohol content:** 11.5% vol

**Format:** Available in convenient 5 and 10 liter sizes

**Technology:** The tap with controlled opening and closing prevents oxygen from entering, preserving aromas and nuances in every glass served. The compact shape and easy storage – perfect even in the refrigerator – make this solution the ideal choice for those seeking convenience without compromising on quality.
