SOCIETAL GROUPS

- *Supreme Leader* — The person with ultimate authority and control.
- *Loyal Followers* — Devoted supporters who uphold the leader's agenda.
- *Quiet Conformists* — Those who comply passively without expressing opinion or resistance.
- *Vocal Dissenters* — People who openly challenge or oppose the *Supreme Leader*'s actions.
- *Cultural Outsiders* — Individuals excluded or marginalized due to differing values or origins.

FASCISM TRAITS *(Note the acronym: **FASCISM**)*

Fear-Mongering – The deliberate creation of anxiety to manipulate and control the public.

Authoritative Rule – The *Supreme Leader* ruthlessly suppresses all *Vocal Dissenters*.

Separatism – The *Supreme Leader* defines *Loyal Followers* and *Quiet Conformists* as patriots and is hostile to *Vocal Dissenters* and *Cultural Outsiders*.

Control by the Ruler – The *Supreme Leader* controls the economy and society without justification.

Idolizing the Ruler – Portrays the *c* as an infallible hero deserving of loyalty.

Suppressing the Dissenters – The *Supreme Leader* silences critics, journalists, and political rivals.

Militarization – The *Supreme Leader* uses military force to intimidate and achieve objectives.

FASCISM DANGERS *(Note the acronym: **PLEAD**)*

Promotes Hatred – *Loyal Followers* fight *Vocal Dissenters* and fuel *Cultural Outsider* hate.

Leads to War – Ultimately leads to widespread suffering, persecution, and mass death.

Eliminates Democracy – Abolishes elections, silences free speech, and removes accountability.

Advocates Violence – Uses coercion and terror to control citizens and maintain division.

Destroys Truth – Replaces facts with propaganda, silences independent thought, and promotes obedience through fear.

FASCISM INSIGHTS

- Supporters of fascism often seek protection from uncertainty, mistaking authority for stability.
- Fascism is the antithesis of justice and humanity—it consumes compassion until none remains.
- Ironically, fascism destroys the freedoms of those who once believed it would keep them safe.
- As the number of *Quiet Conformists* grows, conviction fades, and the dangers become reality.
