## Finding R&D Tax Credits for your **PACKAGING COMPANY**

### Who We Are

We help business owners find R&D tax credits in a fully compliant and efficient way. We've worked with many packaging companies to recoup costs for the research and development that you've done to innovate and grow your business.

### WHAT QUALIFIES?

- Developing environmentally efficient products
- Improving the efficiency of product packaging
- Reducing raw material waste during production
- Improving existing packaging processes to increase automation and streamline operations
- Designing and testing prototypes and first articles
- Designing/developing automated packaging systems/machinery
- Tooling and engineering processes required to develop new packaging or manufacturing items

### WHY WORK WITH US?

#### Financially Lucrative

7-10% tax reimbursement or tax credit on qualifying costs per year.

#### No Risk Benefits

We offer a free consultation to determine whether or not you qualify. You can then claim eligible costs back from the previous 3 years, current year and every year moving forward, should you continue to perform qualifying activity.

#### What Costs Qualify?

- Wages
- Supplies
- Contractors
- Computer rental
