Finding R&D Tax Credits for your **PHARMACEUTICAL COMPANY**

Who We Are

We help business owners find R&D tax credits in a fully compliant and efficient way. We've worked with many pharma companies to recoup costs for the research and development that you've done to innovate and grow your business.

WHAT QUALIFIES?

- Developing and testing new, sustainable active ingredients or excipients
- Designing waste reduction processes in synthesis and manufacturing
- Developing closed-loop or circular API production systems
- Improving energy efficiency in drug manufacturing and purification
- Developing eco-friendly drug coatings, encapsulations, or delivery systems
- Engineering drug formulations for safer metabolic breakdown and disposal
- Developing sustainable or reduced-waste packaging solutions for pharmaceutical products

WHY WORK WITH US?

Financially Lucrative

7-10% tax reimbursement or tax credit on qualifying costs per year.

No Risk Benefits

We offer a free consultation to determine whether or not you qualify. You can then claim eligible costs back from the previous 3 years, current year and every year moving forward, should you continue to perform qualifying activity.

What Costs Qualify?
