Finding R&D Tax Credits for your **COSMETICS COMPANY**

Who We Are

We help business owners find R&D tax credits in a compliant and efficient way. We've worked with many cosmetics companies to recoup costs for the research and development that you've done to innovate and grow your business.

WHAT QUALIFIES?

- Developing and iterating on proprietary formulations to achieve target performance, texture, stability, or skin compatibility.
- Researching and testing new ingredients, actives, or delivery systems for efficacy, safety, and regulatory compliance.
- Engineering manufacturing processes, emulsification techniques, or mixing protocols.
- Designing and validating stability and compatibility testing protocols for novel formulations across temperature, humidity, and packaging variables.
- Developing and iterating on sustainable or clean-label formulations that meet performance benchmarks while replacing regulated or legacy ingredients.

WHY WORK WITH US?

Financially Lucrative

7-10% tax reimbursement or tax credit on qualifying costs per year.

No Risk Benefits

We offer a free consultation to determine whether or not you qualify. You can then claim eligible costs back from the previous 3 years, current year and every year moving forward, should you continue to perform qualifying activity.

What Costs Qualify?
