Finding R&D Tax Credits for the **DEFENSE INDUSTRY**

Who We Are

We help business owners find R&D tax credits in a fully compliant and efficient way. We've worked with many companies in the defense industry to recoup costs for the research and development that you've done to innovate and grow your business.

WHAT QUALIFIES?

- Designing or improving weapons systems, platforms, or munitions
- Developing autonomous or AI-driven technologies for defense applications
- Engineering survivability, stealth, or countermeasure solutions
- Improving propulsion, power, or energy systems for military use
- Conducting materials research for armor, structures, or extreme environments
- Integrating or advancing command, control, communications, and intelligence (C3I) systems

WHY WORK WITH US?

Financially Lucrative

7-10% tax reimbursement or tax credit on qualifying costs per year.

No Risk Benefits

We offer a free consultation to determine whether or not you qualify. You can then claim eligible costs back from the previous 3 years, current year and every year moving forward, should you continue to perform qualifying activity.

What Costs Qualify?

- Wages
- Prototyping and testing supplies
- Contractors
