Finding R&D Tax Credits for **PRODUCT DEVELOPMENT**

Who We Are

We help business owners find R&D tax credits in a compliant and efficient way. We've worked with many companies to recoup costs for the research and development that you've done to innovate and grow your business.

WHAT QUALIFIES?

- Designing new product concepts to resolve technical uncertainties
- Writing and testing new or improved software, algorithms, or functionality
- Building prototypes and running feasibility tests
- Iterating on designs to improve performance or reliability
- Engineering improvements to speed, efficiency, or scalability
- Resolving technical challenges in system or third-party integrations
- Technical work to meet performance standards or safety thresholds
- Developing internal tools to support product development

WHY WORK WITH US?

Financially Lucrative

7-10% tax reimbursement or tax credit on qualifying costs per year.

No Risk Benefits

We offer a free consultation to determine whether or not you qualify. You can then claim eligible costs back from the previous 3 years, current year and every year moving forward, should you continue to perform qualifying activity.

What Costs Qualify?
