Finding R&D Tax Credits for your **AI COMPANY**

Who We Are

We help business owners find R&D tax credits in a compliant and efficient way. We've worked with many companies to recoup costs for the research and development done to innovate and grow.

WHAT QUALIFIES?

- Developing proprietary algorithms for inference, pattern recognition, or decision-making that go beyond off-the-shelf implementations.
- Improving AI systems for accuracy, reliability, scalability, or performance
- Designing custom benchmarking, testing, and model validation frameworks
- Engineering data pipelines and preprocessing methods to address technical challenges
- Solving deployment challenges involving latency, memory, and inference performance
- Developing AI-enabled products requiring experimentation to overcome technical uncertainty
- Evaluating alternative approaches for search, recommendation, ranking, or decision system

WHY WORK WITH US?

Financially Lucrative

7-10% tax reimbursement or tax credit on qualifying costs per year.

No Risk Benefits

We offer a free consultation to determine whether or not you qualify. You can then claim eligible costs back from the previous 3 years, current year and every year moving forward, should you continue to perform qualifying activity.

What Costs Qualify?

- Wages
- Contractors
- Supplies
- Computer Rental (Cloud)
