Finding R&D Tax Credits for your **SOFTWARE COMPANY**

Who We Are

We help business owners find R&D tax credits in a compliant and efficient way. We've worked with many software companies to recoup costs for the research and development that you've done to innovate and grow your business.

WHAT QUALIFIES?

- Creating new applications, products, or specialized technologies for sale or internal use.
- Developing new modules, functions, or features that improve existing software.
- Building complex, unique algorithms for AI, machine learning, or advanced data processing.
- Improving scalability, speed, or system reliability.
- Designing software architecture and structures.
- Conducting unit, integration, functional, or regression testing to resolve technical hurdles.
- Developing CI/CD pipelines, automation tools, or cloud infrastructure supporting software development.

WHY WORK WITH US?

Financially Lucrative

7-10% tax reimbursement or tax credit on qualifying costs per year.

No Risk Benefits

We offer a free consultation to determine whether or not you qualify. You can then claim eligible costs back from the previous 3 years, current year and every year moving forward, should you continue to perform qualifying activity.

What Costs Qualify?

- Wages
- Contractors
- Supplies
- Computer Rental (Cloud)
