Finding R&D Tax Credits for Your **GREEN TECH**

Who We Are

We help business owners find R&D tax credits in a fully compliant and efficient way. We've worked with many green manufacturers to recoup costs for the research and development that you've done to innovate and grow your business.

WHAT QUALIFIES?

- Developing and testing new, sustainable materials
- Designing waste reduction processes
- Developing closed-loop or circular manufacturing systems
- Improving energy efficiency in production
- Developing eco-friendly product coatings/finishes
- Engineering products for reusability and recyclability
- Developing alternative packing solutions

WHY WORK WITH US?

Financially Lucrative

7-10% tax reimbursement or tax credit on qualifying costs per year.

No Risk Benefits

We offer a free consultation to determine whether or not you qualify. You can then claim eligible costs back from the previous 3 years, current year and every year moving forward, should you continue to perform qualifying activity.

What Costs Qualify?
