Finding R&D Tax Credits for your **FOOD & BEV COMPANY**

Who We Are

We help business owners find R&D tax credits in a compliant and efficient way. We've worked with many food and beverage companies to recoup costs for the research and development that you've done to innovate and grow your business.

WHAT QUALIFIES?

- Developing and iterating on proprietary recipes, formulations, or processing techniques to achieve target flavor, texture, shelf life, or nutritional profiles.
- Engineering custom production processes, equipment configurations, or automation solutions to improve yield, consistency, or food safety outcomes.
- Testing and qualifying new ingredients, additives, or preservatives for performance, stability, and regulatory compliance
- Researching and developing packaging innovations to extend shelf life or reduce waste.
- Designing and validating quality control protocols, including developing testing methods for products or processes.

WHY WORK WITH US?

Financially Lucrative

7-10% tax reimbursement or tax credit on qualifying costs per year.

No Risk Benefits

We offer a free consultation to determine whether or not you qualify. You can then claim eligible costs back from the previous 3 years, current year and every year moving forward, should you continue to perform qualifying activity.

What Costs Qualify?

- Wages
- Contractors
- Supplies
- Computer Rental (Cloud)
