Finding R&D Tax Credits for Your **AUTOMOTIVE COMPANY**

Who We Are

We help business owners find R&D tax credits in a fully compliant and efficient way. We've worked with many automotive manufacturers to recoup costs for the research and development that you've done to innovate and grow your business.

WHAT QUALIFIES?

- Designing and testing new powertrain, battery pack, or drivetrain systems
- Resolving thermal, structural, or software performance challenges where the solution isn't obvious
- Building and iterating on embedded control systems, firmware, or vehicle software
- Developing and validating new materials, composites, or lightweighting techniques
- Prototyping and stress-testing components under real-world conditions
- Engineering new or improved manufacturing processes, tooling, and automation

WHY WORK WITH US?

Financially Lucrative

7-10% tax reimbursement or tax credit on qualifying costs per year.

No Risk Benefits

We offer a free consultation to determine whether or not you qualify. You can then claim eligible costs back from the previous 3 years, current year and every year moving forward, should you continue to perform qualifying activity.

What Costs Qualify?

- Wages
- Contractors
- Supplies
- Computer Rental (Cloud)
