Moses Ojeda, Principal

Dear Edison Families:

Thomas A. Edison CTE High School will be giving the SAT exam to all 11th graders on Wednesday, April 22, 2026 and the PSAT exam to all 10th graders on Thursday, April 23, 2026.

To minimize the loss of instructional time, the school will operate on a special bell schedule on both days. Students who are scheduled to take the SAT exam will report to school at 7:30am on Wednesday, April 22, 2026. Students taking the exam should bring their charged laptops, laptop charger and their school ID card with them. **Students who are NOT scheduled to take an exam will report to school for first period at 11:15AM.**

Students who are scheduled to take the PSAT exam will report to school at 7:30am on Thursday, April 23, 2026. Students taking the exam should bring their charged laptops, laptop charger and their school ID card with them. **Students who are NOT scheduled to take an exam will report to school for first period at 11:15AM.**

It is very important that all students attend school on both days even if they are not scheduled for an exam. Students who arrive early before their class schedule will have supervised spaces available.

We appreciate your continued partnership in supporting your child's academic success.

BELL SCHEDULE – SAT EXAM
